### **FOR IMMEDIATE RELEASE**

## **JASMAN'S SKILL-BASED ACTION TOYS WILL CHALLENGE AND EXCITE BOTH KIDS AND ADULTS WHO "NEVER GREW UP"**

**SAN DIEGO, CA — (September 8, 2006)**— Would you give the same gift to a six-year-old and a sixty-year-old? If that gift is from Jasman Toys, you would! Jasman makes fun and exciting products that appeal to the kid in all of us. From curious children to game-loving grandparents and everyone in between, Jasman has the perfect gift for all the "kids" on your list this holiday season!

The **Command Force Micro Chopper Patrol** is a tethered helicopter that recaptures the fun of holidays past and introduces a new generation to this remarkable toy. Dual flight controls allow precision aerial control; use the grappling hook to pick up and drop off supply crates! You can also time travel back to the "Old West" with the **Wild West Gunslinger Electronic Target Shooting Set**. Plastic bottles break and cans fly as you safely hone your target shooting skills. Toy fans young and old will enjoy these great new products from Jasman Toys!

### **Command Force Micro Chopper Patrol by Jasman**

Children of all ages are mesmerized by the aerial acrobatics of planes, helicopters and aerial rescue crews. With the Command Force Micro Chopper Patrol, they can engage in rescue missions of their own! The tethered chopper rests on its helipad along a 12" base. Separate flight control levers for throttle and pitch allow precision flight movements up, down, forward and backward 360°. The Command Force Micro Chopper Patrol comes with two supply crates that a skilled pilot can pick up with the helicopter's retractable grappling hook and return them to the helipad to complete the rescue. Available in three licensed versions with cool graphics and body styling – collect them all! **AH-64 Apache™, AH-6 Little Bird™, AH-1 Super Cobra™. Ages 5 and up. SRP: \$12.99**

### **Wild West Gunslinger Electronic Shooting Set by Jasman**

Relive the days of the "Old West" with the Wild West Gunslinger Electronic Shooting Set from Jasman Toys. Featuring realistic gunshot and ricochet sounds and classic western styling, this set would be the envy of any sheriff. The Wild West Gunslinger uses a harmless infrared beam that will travel up to 30 feet to receptors on the target log. A direct shot will send cans flying, and the plastic bottles break apart when hit! Test your "sharp-shooting" skills safely with the Wild West Gunslinger Electronic Shooting Set. Fun for the kid in everyone! **Ages 5 and up. SRP: \$24.99**
